

Park Concession Management

2017 NOTICE OF AVAILABILITY APPLICATION

Chicago Park District Concession Opportunities

Park Concession Management, LLC

2017 NOTICE OF AVAILABILITY APPLICATION

October 23, 2016

Prospective Applicant:

Park Concession Management, LLC, the concession manager for the Chicago Park District, is providing you with information pertaining to the available concession opportunities in the Chicago Park District during the 2017 season. If you are interested in the opportunity to operate a food, retail, recreational, or rental location, then complete the attached "Notice of Availability" application and return it promptly to our attention. Please be sure to read the application instructions carefully and submit the application to:

Park Concession Management, LLC
20 N. Michigan Ave., 4th Floor
Chicago, IL 60602

The deadline for applications is 3:00 p.m. on Wednesday, November 30, 2016.

Applications for the 2017 season received by this deadline will have first priority and applications not meeting this deadline will be considered on an "as needed" basis.

Park Concession Management is committed to assuring your understanding of the Notice of Availability application process and our retail and concession program. **There will be two pre--submittal information meetings held at 6:30p.m. on November 10, 2016 at the South Shore Cultural Center and 6:30p.m. on November 15, 2016 at Horner Park.** These meetings are not mandatory, but encouraged, especially if you have questions or require additional information regarding the concessions program.

After the application deadline, you will be contacted within sixty (60) days regarding the status of your application. The criteria used in considering the awarding of concession or retail locations are explained within this packet. The Chicago Park District reserves the right to award a concession permit agreement based upon a written application alone or to hold additional discussions with one or more applicants.

For additional information please contact Park Concession Management at 312-456-7062 or refer to www.parkconcessions.com.

[Preguntas sobre completar la forma de disponibilidad pueden ser dirigidas a la Gerencia de Concesion de Parques a 312-456-7062.](#)

Thank you for your interest in the 2017 concession program.

Park Concession Management, LLC.

SUBMITTING YOUR NOTICE OF AVAILABILITY APPLICATION

After completing this application, the entire package must be **returned by 3:00 PM on Wednesday, November 30, 2016 to:**

Park Concession Management, LLC
20 N. Michigan Ave., 4th Floor
Chicago, IL 60602
FAX: 312-456-0056

NOTICE OF AVAILABILITY APPLICATION PROCESS

1. **Please be sure to complete all sections of this application. Park Concession Management, LLC (PCM) will not consider your submittal if the application is incomplete.** Should a section not apply to an applicant's specific situation, please indicate with a response of "N/A".
2. Submit your application by mail or deliver-in-person by 3:00 PM on Wednesday, November 30, 2016. Submittal of an application does not grant you authorization to conduct concession operations on Chicago Park District property.
3. Upon receiving your completed application, Park Concession Management, LLC will process and review your application. PCM will contact you within 60 days to inform you of the status of your application. PCM may request additional information and may conduct interviews with applicants.
4. Once PCM has reviewed all applications, recommendations will be made to the Chicago Park District.
5. Once the Chicago Park District approves PCM's recommendations, Concession Permit Agreements may be negotiated and executed. Contracts may be executed as early as late winter/early spring 2017. Concession operations must be open no later than the first official day of the Memorial Day Holiday Weekend and close no earlier than the last day of the Labor Day Holiday Weekend, unless otherwise approved by Park Concession Management, LLC or the Chicago Park District. Further restrictions may apply to days and hours of operation.

APPLICATION REVIEW

Criteria of the proposal review will include, but are not limited to the following:

1. The qualifications of the Applicant, including the Applicant's
 - Professional qualifications
 - Skills
 - Experience
 - Financial ability (e.g. favorable credit references, payment history, and financial capacity)
2. The quality, including the creative or innovative nature, of the proposed concession
 - Proposed product mix/offering and innovative ideas on improvement of concession concept
 - Proposed cart, kiosk, or trailer design and concept
3. Revenue to be received by the Park District from the proposed concession
4. Extent to which the proposed concession would not interfere with and would enhance park recreation activities
5. Extent to which the proposed concession is consistent with the historic and aesthetic nature and planned use of the proposed location
6. Extent to which the proposed concession is consistent with the goals of the concession program and plan
7. Extent to which the proposed concession adds to the diversity of Park District concession activities
8. Extent to which the proposed concession is environmentally conscious and uses sustainable methods and operations
9. The Applicant's willingness to make a good faith effort to encourage the participation of Minority Business Enterprises and Women Business Enterprises with the proposed concession

GOAL OF THE CONCESSIONS PROGRAM

"The goal of the concessions program is to provide the highest possible quality and variety of foods, commodities and services that will enhance the use of the parks and provide comfort and convenience to patrons at reasonable prices while assuring reasonable revenue to the Park District, and consistency of the concessions with current and future Park District plans for recreation, operations and other activities on Park District property." (Chicago Park District Code, Chapter 9)

SPONSORS

Sponsoring companies will commit significant sponsorship dollars to the Chicago Park District in exchange for product exclusivity in a particular brand catalog. Therefore, all concessionaires will be required to make their purchases directly from these sponsors at a competitive market price. Chicago Park District maintains the right to enter into additional sponsorship agreements at any time.

As noted in your Concession Permit Agreement, the sale of products that are competitive, or conflict with, the Official Park District Sponsor's products, will NOT be allowed and **can result in termination of your agreement.**

The details of all official sponsorship agreements shall be provided to you during the negotiation of your Concession Permit Agreement and may be added / changed at any time.

FREQUENTLY ASKED QUESTIONS

This document is being provided as a Quick Reference to some of the most commonly asked questions relating to the Chicago Park District Concession Program. These answers do not complete the scope of requirements for this Program, nor does it replace or take precedent over the operating requirements outlined in the Notice of Availability packet.

1. HOW DO I APPLY FOR A PERMIT/LICENSE TO SELL MY PRODUCTS IN THE PARK OR ON THE LAKE FRONT?

ANSWER: There is an application enclosed in this Notice of Availability (NOA) packet. Please complete it and submit it to **Park Concession Management, LLC 20 N. Michigan Ave., 4th Floor, Chicago, IL 60602.** Before completing and signing the application, we encourage you to review the entire contents of this packet. It contains a list of available locations and information on the sponsorship program. If you are selected to participate in the Chicago Park District's Concession Program, you will be contacted to negotiate a "Concession Permit Agreement" for the season.

2. WHAT ARE THE FEES TO OPERATE A CONCESSION?

ANSWER: All fees are estimates, at a minimum, you should plan for:

- **Base and/or Percentage Fee** - All permit agreements will have a fee associated with each location which is known as a base fee and in some cases a percentage of sales may also be charged as a percentage fee.
- **An annual Business License Fee** - \$150.00 (\$100 for non-food concessions). This fee may increase for permanent facilities and café's with seating;
- **Performance Deposit Fee** - \$400.00;
- **Food Sanitation Inspection** - These fees range from \$75 to \$150 depending on the type and size of the concession location.
- **Insurance** - **Minimum liability policy limit shall be, but not limited to, \$1,000,000 per occurrence and \$2,000,000 in the aggregate. You will be required to name the Chicago Park District and Park Concession Management, LLC as additional insured on a primary and non-contributory basis.** (You will have to shop around; many companies quote a minimum rate of approximately \$750 for an annual policy).
- **Registration fees for a Foodservice Sanitation Class** (approx. \$320.00/person);
- **Concession Facility** - you must purchase your own concession facility (i.e., cart, trailer, or kiosk).
- **Operational Expenses** - costs of services provided by the Park District, including but not limited to: utilities, trash and recyclables removal, water, etc.
- **Additional Expenses** - other costs may include but are not limited to: general maintenance, repairs, signage, landscaping, pest control, employee uniforms, clean-up, and beautification.
- **Re-Key Fee** - There is a \$150.00 fee for a new concessionaire operating a permanent location to re-key the concession locks
- **Utilities** - Fees range from \$50.00 - \$1,500.00, depending on power, water, sewer, and garbage/recycling usage

3. WHAT ARE THE HEALTH AND SANITATION REQUIREMENTS?

ANSWER: In addition to the CPD License, you must attend a Food Service Sanitation Course. Each concession must have at **least** two (2) persons certified with the City of Chicago Dept. of Health as a Food Service Manager, and must have available for review a copy of the Food Service Manager Certificate. The City Colleges of Chicago, the Illinois Restaurant Association, and the Bio Test Lab Office offer these classes. Also, Park Concession Management may be familiar with and willing to recommend private companies that offer these Food Service Sanitation Course. All locations must also pass an inspection conducted by Park Concession Management, LLC.

4. WHAT IF THE LOCATION I WANT TO SELL IN IS NOT ON THE LIST OF AVAILABLE CONCESSION OPPORTUNITIES?

ANSWER: The list of locations found at the back of the application packet does not include all parks within the Chicago Park District that may be available for your business proposal. The Chicago Park District will entertain any and all proposals/ideas for locations. However, any proposal is subject to Chicago Park District approval.

5. I HAVE A PEDDLER'S LICENSE. CAN I USE IT IN THE PARK?

ANSWER: No! The Peddler's License is issued by the City of Chicago for city property. The Chicago Park District issues Permit Agreements for Park District property, which includes parks, beaches, lakefront property and Buckingham Fountain. If you are found selling food, commodities or services on Park District property without a Concession Permit Agreement, you may be subject to a fine and confiscation of your products and/or equipment.

6. WHERE CAN I GET A CART, TRAILER OR KIOSK?

ANSWER: You are responsible for finding and securing your own concession cart, trailer or kiosk which meets the design guidelines of the CPD. The concession type must first be approved by the Park District. PCM will request a sample photo or drawing of your proposed concession facility. Park Concession Management is available to guide you through the process in securing your concession facility.

7. WHAT DOES IT MEAN TO BE ENVIRONMENTALLY CONSCIOUS AND USE SUSTAINABLE OPERATIONS AND METHODS?

ANSWER: The Chicago Park District is committed to being a good steward of the environment. While recreation is definitely one of our focuses, conservation is also key. As such, within our own operations we employ green practices and operations from energy efficiency to green cleaning products.

Being environmentally conscious means that as a concession you are aware of your park surroundings and do your best not to negatively impact the landscape. This may be through litter and waste control and recycling. Recycling of materials such as glass, metal, paper or plastic reduce the impact to the environment. Sustainable operations mean using products that are not harmful to the environment. This may be using paper or plastic products with recycled content, green cleaning supplies, locally sourced food, or reducing emissions from generators or vehicles. Note that polystyrene is not allowed. Further note that recycling is required

GOOD FOOD PURCHASING STANDARDS

Introduction

The Chicago Parks District prioritizes Good Food Purchasing practices within its direct food service programs and in contracts with concessionaires.

We strive to make Good Food more widely available to all communities in order to promote healthier eating habits, support our local economy, and create more well-paying jobs along the food supply chain in line with the Good Food Purchasing Program and its guiding document, the Good Food Purchasing Standards (“Standards”). The Standards emphasize five values:

- Local Economies
- Environmental Sustainability
- Valued Workforce
- Animal Welfare
- Nutrition

Details regarding the Standards are available among the Reference Documents contained in this application, and they are subject to change.

Pilot Program

During the 2017 Chicago Park District (“CPD”) concession season, the CPD will be conducting a pilot implementation of the Standards with those concessionaires who choose to volunteer to implement them into their operation. This will allow us to gather information in order to make an informed decision regarding deploying the Standards to all concessionaires in the future. The pilot involves individual concessionaires tracking their food purchases which will allow us to observe the successes and challenges of the Standards in small business and/or seasonal operations, as well as set a baseline for minimum purchases in each Good Food Purchasing category for the future.

To implement and monitor the pilot, the CPD and PCM will be supported by the Chicago Food Policy Action Council and the Center for Good Food Purchasing.

In future years, applicants and concessionaires already in the program may be required to be in compliance with the Standards.

For 2017, compliance with the Standards are not required in order to receive a concession permit agreement with the Chicago Park District, nor are applicants who have Good Food purchasing initiatives given additional credit during the evaluation of their concession applications.

Final Note: We realize that you will be anxious to get started with this process, but we strongly urge applicants NOT to spend any money relating to the Concession Program until you have been officially notified that you have been awarded a Permit Agreement. If you do not already own a concession unit, you may want to begin your search in order to know where to get one and how much it will cost you. However, any money spent before official notification of approval will be at your own risk.
